

ISMTE *Editorial Office News*

Editorial Office News (EON) is the official newsletter of the International Society for Managing and Technical Editors (ISMTE) and is published monthly. The contents and opinions expressed by the authors do not necessarily represent those of the Society, the Board of Directors, or *EON* editors, nor does the publication of an article constitute an endorsement on the part of ISMTE of the authors' organizations or companies. Submissions are welcome and can be sent to the editor at the address below. Submissions may be edited for style and format without the author's permission. Authors must seek permission to reprint any copyrighted material and provide this permission to the editor.

EON's content belongs to the members of ISMTE. Users may view and download *EON* articles for personal, non-commercial use. Use beyond that allowed by the "Fair Use" limitations (sections 107 and 108) of the U.S. Copyright law require written permission from the *EON* editor.

A note on English: ISMTE aims to be a truly international society. English will represent our lingua franca, but we would like to stress that, in materials published in EON or online, variations in idiomatic usage and spelling should reflect the origins of the author. No one version of English is preferred over the other.
